Dr. Heather F. Dealy is a board certified ophthalmologist, who has fellowship training in glaucoma. She is a graduate of Jefferson Medical College, and completed internship and residency training at Yale University and SUNY Upstate Medical University. She completed her glaucoma fellowship at the Scheie Eye Institute, University of Pennsylvania. Since that time, Dr. Dealy has practiced ophthalmology in Delaware and Pennsylvania and has significant experience in cataract and glaucoma surgery.

Dr. Marianne Boltz received her doctor of optometry degree from the Pennsylvania College of Optometry in 1996. She then completed a residency in Pediatric Optometry and Binocular Vision at the Illinois College of Optometry, Chicago. She also became a Fellow of the American Academy of Optometry in October 2007. In September 2003, she joined the Penn State Hershey Medical Center Department of Ophthalmology as a pediatric optometrist, low vision specialist and assistant professor of ophthalmology. She was named the 2007 Pennsylvania Optometric Association Optometrist of the Year. She has served on the POA Board of Directors for the past 7 years and just completed her term as President of the association in 2014. In 2014, Dr. Boltz was also appointed by Governor Corbett to serve on the Advisory Committee for the Blind of Pennsylvania.

Dr. Amanda S. Legge earned a B.S. in Biology from Wilkes University in Wilkes-Barre where she minored in Neuroscience, Chemistry and Theater Arts. She earned a B.S. in Visual Science and O.D. degree from the Pennsylvania College of Optometry at Salus University in Philadelphia. She serves as a member of the Allied Health Professional Staff at St. Joseph Medical Center providing inpatient consults and Emergency Room eye care. Dr. Legge enjoys primary eye care with special interest in retinal diseases, having earned a certification for advanced retinal studies during her academic and clinical training.
